Dear Dr. Conway:

Blue Cross Blue Shield of Arizona (BCBSAZ) has been evaluating its provider network structure and has decided to phase out use of a participating network that differs from the BCBSAZ PPO network. You are currently contracted with us as a participating provider only and are not currently a member of our PPO network. After further review, it has been determined that our PPO network is adequate and your agreement will be terminated with BCBSAZ in ninety (90) days.

This letter will serve as notice of your current contract's termination effective January 31, 2008¹. Please make sure that your patients are aware of your change in status.

We appreciate your past relationship with us as a participating provider. If you have any questions regarding this process, please contact your network contract specialist directly, or call the Network Management Department at (602) 864-4231 or (800) 232-2345, ext. 4231.

Sincerely,

A handwritten signature in cursive script that reads "Mary Semma".

Vice President, Network Management
