To: Governor Janet Napolitano
From: Wayne Bennett, DC
Ref: Letter of Recommendation, Dr. S. Steven Baker

Dear Governor Napolitano,

It is my pleasure to recommend Dr. S. Steven Baker for a position on the Arizona Board of Chiropractic Examiners.

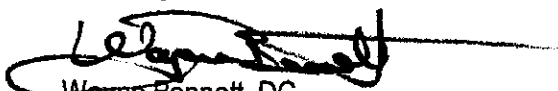

Dr. Baker's many years of service to the chiropractic community have earned him a well-deserved reputation for both toughness and fairness when dealing with sometimes-difficult issues regarding standards of professional conduct.

Dr. Baker holds dual diplomate status with the American Board of Chiropractic Consultants and with the American Board of Chiropractic Orthopedists. As a fellow ABCC diplomate, I can state unequivocally that this credential brings with it educational and practical qualifications that uniquely qualify the doctors with this specialty training to serve effectively on a Chiropractic Board of Examiners.

Dr. Baker's status as a Chiropractic Orthopedist will enable him to render highly qualified and informed opinions concerning board-related issues.

It is fortunate that the Arizona Chiropractic community has the opportunity to seat an individual with Dr. Baker's professional qualifications on its Board of Examiners, and more fortunate indeed to be able, in doing so, to provide representation on our Board from the southern area of the state.

Sincerely,

Wayne Bennett, DC

Dear Governor Napolitano,

It is with pleasure that I write this letter to highly recommend Dr. S. Steven Baker for your appointment to the Arizona Board of Chiropractic Examiners.

Dr. Baker has served our board as an investigator and as an expert witness for many years with honor and dignity. Dr. Baker will serve the board as a professional member with those same qualities.

I have known Dr. Baker from his service to the board over the last few years and I have always found him to be open, honest, fair-minded. It would be my pleasure to serve with him on the board should you choose to appoint him.

Respectfully,

Craig Seitz, D.C., F.I.A.C.A., L.Ac. Dipl. Ac I.A.M.A.
Chairman Arizona Board of Chiropractic Examiners
